### Classroom News

*This week we went apple picking at Cameron's Orchard. I picked some fantastic juicy apples! We picked apples and there were Cortland, McIntosh and Russet. I picked one of every kind and one I ate.*

*There was a police man who came into our school and his name was Constable Stephane. He brought in finger printing so we wouldn't get lost. We had to pull a piece of our hair out because if we got lost our mom could give this to the police. – Lily*

*This week we had a police man come to our school and we did finger printing. We had to put our ten fingers in ink and press them down on our special piece of paper he gave us. We also had to pull out one of our hairs and put it in a bag. The reason we did that was in case one of us went missing they could go to our house have it and track us down. This week at school we also went apple picking and picked as many apples as we could with our partners. – JJ*
